

Application for the Research students are now open!

The Ministry of Education, Culture, Sports, Science, and Technology (MEXT) of Japan offers three different scholarships for non-Japanese nationals wishing to study in Japan. Applicants who have Maldivian nationality can only apply for MEXT Scholarship to the Embassy. (Those who have other nationality should contact Japanese Embassy in their respective countries.) All MEXT Scholarship applications will be subject to a document screening after the appointed application deadline. Only those applicants who pass the document screening will be invited to the Embassy to sit for the interview and exams for their respective scholarship. Please read the guidelines carefully for the scholarship and view past MEXT examinations and answers as well.

If you need further assistances, please contact the Embassy (TEL: 3300087). This Research scholarship offers candidates the opportunity to enroll in a master's course, a doctoral course, or a professional graduate course at a graduate school, or to conduct research in a specialized field at an undergraduate department, graduate school, institute attached to a university, etc. with the aim of completing the course. Applicants must find a Japanese professor who is willing to supervise their research.

Deadline: All documents needed for application must be received by ~~May 27, 2024.~~
→May 30, 2024 at 12 noon

Interview and Test Date: June 6, 2024
